

Questions & Answers

What do I need to get started?

All we need is your company and employee information, and payroll history (if any) for this year. Call us to schedule an appointment to discuss your payroll requirements. We will design a customized payroll solution for you.

Can I switch payroll providers mid-year?

As long as you have records of your payroll history, you can switch at any time.

Can I import this information to my accounting software?

You can import your payroll data into accounting software such as QuickBooks®, QuickBooks Online Edition, QuickBooks for Mac, ATX Cash Command, ATX Total Command, and Microsoft® Money, so that all information is in one place.

What about W-2's?

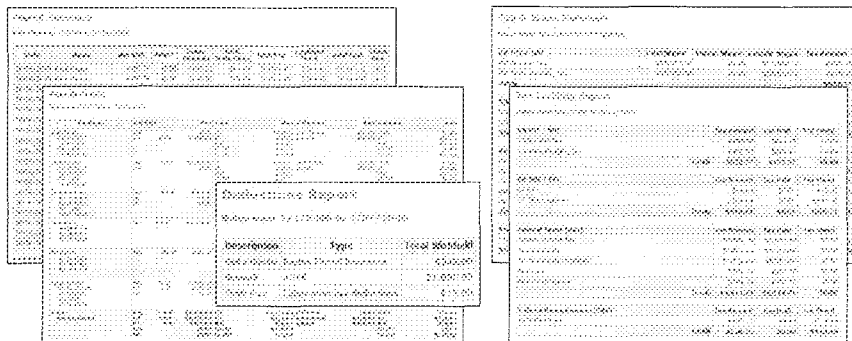

At year-end, we create W-2 forms for you and your employees. And we take care of filing them with the Social Security Administration.

What if an employee needs a copy of an old pay stub?

No problem. We maintain complete records of your payroll data, for quick access whenever you need it. Your employees can also access their pay stubs securely online at PaycheckRecords.com, 24 hours a day, 7 days a week.
